

SERVICE TECH, INC.

"Activated Carbon Engineering, Sales and Service"

ST-100 MARKETS

Applications

Manufacturing Process Water

Degreasing Operations

API Oily Water Separators

Parts Cleaning

Electroplating

Paint Stripping

Natural Gas Compression

Industrial Stormwater

Metal Casting

Ground Water

Gas Sweetening

Wood Treating

Boiler Feed Water

Drinking Water

Pigment Production

Produced Water from Oil
Production Wells
Dry-Cleaning

Pollutants Removed

Oil & Grease

Oil & Grease

Oil & Grease

Non-Ionic Surfactants

Heavy Metals

Solvents
Heavy Metals

Condensate

Oil & Grease

Dye Penetrants

PCB, Oils & Greases,
BTX, Heavy Metals

Large Molecular Weight
Hydrocarbons

Pentachlorophenol
Creosote

Oil, Humic and
Fulvic Acid

Trihalomethanes, Heavy
Metals, various Hydrocarbons

Organic Pigments

Oil, Diesel Fuel
Perchloroethylene
